Rail Safety Day

Yesterday the children enjoyed learning about 'Rail Safety' and rules to follow when at train stations or near railway lines. They listened carefully and asked very thoughtful questions. Here are some of our drawings of trains.

Gold Book

These children have been nominated in the Gold Book recently. We are very proud of all of the children who work hard every day to follow the Golden Rules and continue to 'Be Excellent Everywhere'.

Class 4	Class 5	Class 6

English

We have been very busy learning the story of 'The Mole Who Knew It Was None Of His Business' and practicing retelling it using actions. The children have written letters to Basil the Naughty Dog and have enjoyed reading about all the other animals in the story. We have had some very funny lessons with lots of laughter!

End of term

Please send in a named **strong** carrier bag for your child to carry their books home in at the end of term. Additionally, if you have any school library or Lacey Library books outstanding at home, please can you return them as soon as possible to your child's class teacher. We will also be collecting in Reading Records and 'spotty books' so please make sure they are returned by Wednesday 19th July.

Thank You

We are all very proud of how hard the children have worked this year and how much they have matured. They have learnt so much through lots of exciting topics and learning experiences and have been superstars! Thank you as always for your continued support and well done Year One!
