### **Golden Time**

At the end of last term Year 2 managed to all achieve 'Golden Class' status, meaning that no one lost any Golden Time for that week. The children are working very hard to make sure they follow the Golden Rules and get all their Golden Time.

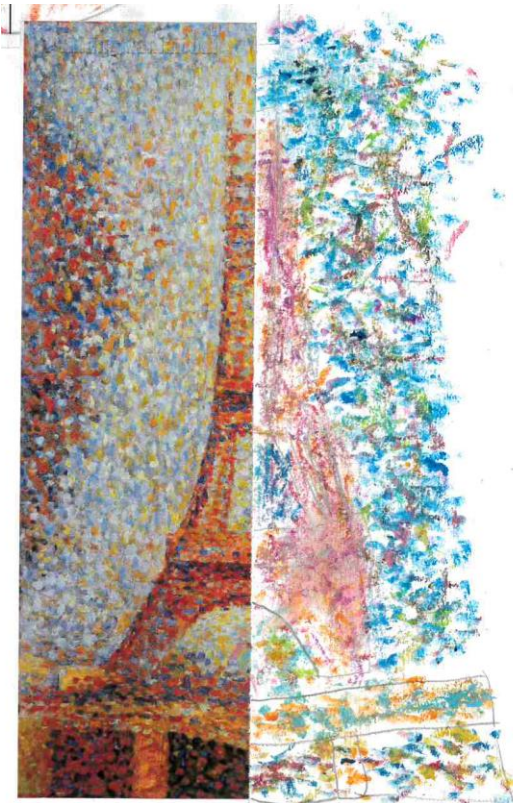

The new choices for Golden Time include – mystery, sensory room, go-carts, arts and crafts, cooking, fitness and sewing, other popular choices remain such as outside play, show and tell, specialist, playdough, movie and dressing up.

### **Topic**

We have started our new topic of Holidays and we are enjoying seeing what the children have created over the holiday. We have started our topic with some art work. We have been looking at the art work of the French artist Georges Seurat, who painted in the pointillist style. His most famous paintings are of people spending time relaxing on the banks on of the River Seine while on holiday. Year 2 have been trying out the pointillist style using oil pastels. In the examples below the children have used half of a Seurat painting of the Eiffel Tower and completed it in the same style.
