Topic

We have been completing our art work, which is on display around school and have begun to look at Victorian Holidays. We have been comparing them to our own holidays; we have looked particularly at going to the beach and at old fashioned swimming costumes and different activities that can take place at the seaside. This week we have been learning about Punch and Judy. We have also been thinking about where we would like to go on holiday and used the 'green screen' to take photos in these places.

Hayley chose to go to the fair.

Diana chose to go to Disney.

Ryley wanted to swim on the Great Barrier Reef

Lennon wanted to go to Africa.

Home Learning

We have enjoyed looking at the Holiday projects the children have brought in.

We are sending the Green Maths Books home this week – the children can complete any pages that haven't yet been completed. Please note we will not be collecting them in again to mark.

Please remember to write in Reading Message Books when you read with your child at home and continue to practise spellings.

School Helpers

The 'School Helper of the Week' from Class 7 was Pearl, ably assisted by Max, Ava, Eva, Austin, and Hayley. Last week these children from Class 8 were the school helpers: Oakley, Talia, Ella, Finley and Diana. Oakley was selected as 'School Helper of the Week.'

This week the School Helpers are from Class 9: Evan, Lexi, Jessica, Hannah, Grace and Roxy.
