Topic

We have designed and made flags using a variety of materials. We have decorated them and tested them to check they are fit for purpose. We have been writing instructions for using the 'Green Screen' and persuasive letter writing. In maths we have been reasoning about numbers and partitioning numbers in different ways.

Staycation

On **Friday 9th June** we will be having a "Staycation" on the school field as part of our Holiday topic. For this exciting event your child will need to come to school in holiday wear (shorts, t-shirts, summer dress). They will need to bring a bag with up to 4 holiday items (named if possible) e.g. sunglasses, towel, small beach ball/game, magazines, books – please no electronic devices as we cannot guarantee their security. The children will be responsible for their items and will be using them during the day.

Home Learning

We have enjoyed looking at the Holiday projects the children have brought in. We are sending the Green Maths Books home this week – the children can complete any pages that haven't yet been completed. Please note we will not be collecting them in again to mark. Please remember to write in Reading Message Books when you read with your child at home and continue to practise spellings.

School Helpers

The 'School Helper of the Week' from Class 7 last week was George.

These children from Class 8 are school helpers this week: Karolina, Eva, Chloe, Barney, Harry and Stanley.

Messy Church

St Cuthbert's Messy Church (Lichfield Road, Copnor, PO3 6DE) is happening on the second Saturday of half term, on **Saturday 3rd June 2017**, 2:00-4:00pm. All families are welcome for free craft activities, games, and light refreshments. This month the theme is Noah's Ark and there will be hand printing, rainbow cupcakes, pool, treasure hunts and much more.

Regards, St Cuthbert's Church
