Topic

We have made a start on our new topic 'Rumble in the Jungle.' We are using 'Tinga Tinga Tales' in English to inspire our writing. We are starting our topic work with a Design Technology project, and we are designing and making animal puppets. In computing this half term we are going to making databases about plants and animals, as with much of our computing work we are using the Purple Mash website which has many applications to support our learning.

ZOO Lab

We are excited to have the Zoo Lab workshop visiting us later in March. Please return your consent slips and payment before Friday 17th March.

Home Learning

Please remember that although we are no longer sending home written English Home Learning, it is vital that you are helping your child to practise weekly spellings and read to you daily.

Water Bottles

Now that spring is round the corner and hopefully the weather is getting warmer it is really important that the children bring a named water bottle to school. The children have opportunities during the day to drink water and we fully encourage them to drink plenty of water at any time. All children were supplied with a water bottle at the beginning of the school year and replacements can be purchased from the school office.

Lacey Library books

If you still have any outstanding Lacey Library books at home, please return them to school so we can take them back to the library.

Lunchtime Supervisory Assistant Vacancy

We have a vacancy for a lunchtime supervisory assistant to commence on Monday 20th March. For further details please visit www.forms.portsmouth.gov.uk/schoolvacs

Messy Church

St Cuthbert's Messy Church (Lichfield Road, Copnor, PO3 6DE) is happening this Saturday 4th March 2017, 2:00-4:00pm . All families are welcome for free craft activities, games, and light refreshments. This month there will be snake socks, stone painting, table football, a mini assault course and much more

As always please don't hesitate to ask about anything you're unsure of.
