

Year R Newsletter - Issue 8

Topic

After half term we will start our new topic called 'Monsters'. This topic will feature a well-known monster! Can you guess who? He has purple prickles all over his back!

Home Learning

We are looking forward to seeing the projects you have been creating about your beanstalks! This home Learning is due in on Thursday 16th February.

World Book Day

As part of our celebrations for World Book Day on **Thursday 2nd March**, we will be celebrating the 30th anniversary of the popular "Where's Wally?" books. Books can bring great enjoyment to people and these books certainly do that! The children can come to school that day dressed as Wally or Wenda. Wally costumes are currently available in Asda & Tesco.

Lacey Library

Thank you to all the volunteers that have accompanied us to the library, your time has been appreciated. We look forward to many more trips.

Reading

As you know reading is a very important skill for the children to develop. The more they practise the better they get. When you read with your child at home please write it in their Reading Message Book, this only needs to be your initials, the date and the book title. If there is a reason you are unable to read at home with your child please let us know so we can see if there is anything we can do to further support their reading.

Book bags and Reading message books

Please ensure your child brings their book bag and their reading books every day. We do read with the children regularly and it is essential that they have their book bags here. It would also be extremely helpful if you could all give your child's book bag a little Spring clean. Often children put their 'creations' in their book bags to take home but forget to remove them at the other end.

Coats and wet weather gear

We are sorry to repeat ourselves..... If you haven't already provided waterproof trousers, coats and wellingtons please can you do so. Just pop them in a bag to go on their peg so they can independently access them when they choose to learn outside.

As always please don't hesitate to ask about anything you're unsure of.
