### Don't forget - Spring A Home Learning Challenge!

Our half-term optional home learning task is to choose one planet, find out about it and create something to teach others in the class about it. This might take the form of a model, poster, piece of writing, art or something else. It is completely up to you! We look forward to seeing your creations. Can we ask that any work is handed in during the last week of term (week beginning 5<sup>th</sup> February) so that we can include it in our end of topic celebrations.

### Free event to see British astronaut Major Tim Peake

As part of our current topic the children have been learning about the British astronaut Major Tim Peake and his time on the international Space Station in 2016.

Please read the cutting below for an opportunity to see Tim Peake that might be of interest to you. It was announced in the Portsmouth news on Monday this week.

## Astronaut's freedom honour

ASTRONAUT Tim Peake will be honoured with the Freedom of the City of Chichester.

The ceremonial title will be given to Major Peake during a service next month.

As part of the event school children will have the chance to put questions to him about his time on the International Space Station and his life since then.

Major Peake, pictured, from Westbourne who studied at the University of Portsmouth, is being

honoured with the Freedom of the City at Chichester Festival Theatre on Sunday, February 25.

The city's mayor Peter Evans will bestow the highest honour at a civic ceremony at 2.30pm.

Then Major Peake will give a presentation on the Principia Mission which included his space walk and running a marathon in

space. He will then take questions from young people in the audience.

Free tickets will be available from 10am on February 5 from [cft.org.uk](http://cft.org.uk).

Booking is essential and there is a limit of four tickets per booker.

Chichester City Council resolved to confer the prestigious Freedom of the City award upon him in February 2016.
