

## **Langstone Infant Academy 2017-2018** **Pupil Premium Strategy**

### **What is the Pupil Premium?**

The Pupil Premium is a sum of money allocated to schools each year to narrow attainment gaps between pupils from low income families and their peers. It aims to provide significant funding for disadvantaged children to help close the attainment gap and promote greater progress in line with their peers.

The Pupil Premium is allocated to the school and is generated by children:

- who were registered as eligible for free school meals at any point in the last six years (FSM);
- who have been 'looked after' for 1 day or more (CLA);
- who were adopted from care on or after 30 December 2005, or left care under a special guardianship order or a child arrangements order (CLA).

A Service Premium is generated by children from service families.

### **How much is it?**

The level of the premium in 2016-2017 is £1,320 per pupil fitting the criteria above for FSM children, £1,900 for Looked After children and £300 for children from service families. This is what our breakdown since the funding was introduced in September 2012.

<b>Financial year</b>	<b>Amount of Pupil Premium Funding</b>
<b>2011 – 12</b>	£NIL
<b>2012 – 13</b>	£43,241
<b>2013 – 14</b>	£58,274
<b>2014 – 15</b>	£80,011
<b>2015 - 2016</b>	£83,940
<b>2016 - 2017</b>	£80,700
<b>2017-2018</b>	£67,780

## What should it be used for?

At Langstone Infant Academy, we aim to ensure;

- that teaching and learning opportunities meet the needs of all of our pupils.
- that appropriate provision is made for pupils who belong to vulnerable groups. Termly Pupil Progress meetings enable the identification of underachieving pupils and planning to address their needs.

The Pupil Premium is funding provided to schools which is in addition to main school funding. It is for schools to decide how the Pupil Premium is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their individual responsibility.

If you have any questions about Pupil Premium or the way that the funding is used, please telephone or come in to speak to the headteacher.

In making provision for underachieving pupils, we recognise that not all pupils who receive free school meals will be underachieving. We also recognise that not all pupils who are underachieving are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as underachieving.

Pupil Premium funding will be allocated following a needs analysis which will identify priority year groups, vulnerable groups or individuals, therefore not all children receiving free school meals will be in receipt of pupil premium interventions at one time.

## Our School (2017-2018)

For 2017-2018 Langstone Infant School received **£67,780** for Pupil Premium. Other funding was added to this so that we could support **all** of our most disadvantaged pupils. Some strategies used across the whole school benefit more than just our disadvantaged pupils.

## Main barriers faced by eligible pupils

- Use of spoken language and limited range of vocabulary;
- Special Educational Needs and Disabilities;
- Lack of experience and exposure to books and other forms of literature;
- Children's confidence in their own ability and closed mindset to challenge and achievement;
- Emotional stability and welfare;
- Breadth and opportunity of life experiences which impact on learning;

Planned activities	Cost	Reason for the approach	How impact will be measured
Every Child a Reader (ECAR) Reading Recovery support Programme and related resources	£14,737	*Specialised, school-based short term intervention for pupils struggling with literacy with <u>proven</u> results in accelerating progress *Our accredited ECaR teacher also supports with Reading across the whole school, supporting CPD sessions & helping parents to support reading at home	*Attainment & progress through moderation, Phonic screening check and end of KS1 assessments *Reading Recovery progress records – Use of ECaR CPD provision
A specific Teaching Assistant TA3 – delivering targeted support programmes in and out of classroom setting to support all phases. This is an on class based role	£2,904	*Opportunity for some pupils to have a more personalised approach to meet needs	*Improve percentage of pupils achieving the expected standard
