

2nd October 2018

Dear Parents and Carers

YEAR ONE ACTIVITIES / TRIP 2018 - 2019

Autumn Term 2018

Space Dome (in school) – Wednesday 31 October 2018

Our topic next term is Space! As part of our topic work we have booked a school visit from the space dome company. They will be setting up an inflatable planetarium in the school hall that each class will visit. They will be involved in a presentation that will help them learn a variety of information based around a space theme.

Spring Term 2019

Stacey Centre Garden – Spring Term 2019 – date TBC

Year 1's topic of 'Let it Grow' is in the spring term. As part of our topic work we will visit The Stacey Centre garden where the children will take part in a bug hunt, plant seeds, and explore different plants using their senses.

Longdown Activity Farm – Wednesday 06 March 2019

Our other Spring term topic is 'Old MacDonalds farm'. To support our work on this we will be visiting Longdown Activity farm, where the children will get to be farmers for the day and be involved in activities like collecting eggs and feeding baby animals.

The children will need to take a disposable packed lunch in a named carrier bag to eat at the farm. We will assume that you will provide your own packed lunch as the majority of parents tend to. **No chocolate or fizzy drinks.** Please ensure children have sufficient drinks to last all day, we suggest a re-sealable plastic drinks bottle/ or two plus cartons. However, if you would prefer the school to order your child a free packed lunch from the caterer consisting of a cheese filled bread roll, biscuit, fruit & bottle of water please notify us using the reply slip below. (To avoid confusion please do not send in any additional items of food). Reminders will be sent closer to the time for those ordering a school lunch.

/Continued overleaf...

This visit will include some walking so please ensure that your child wears suitable shoes that you don't mind getting muddy (wellies or old trainers are acceptable) and has a named waterproof coat/jacket. The children will need to wear their school uniform (t-shirts and jumpers) but may wear any trousers. If it is a hot day please provide a sun hat and apply sun cream before coming to school.

Summer Term 2019

Theatre Workshop (in school) – 7th/8th/9th May 2019 (1 class each day)

During the summer term we have arranged a drama workshop to enrich our topic which is titled 'Once upon a time'. Each class will spend one morning participating in various drama activities, retelling familiar stories and also adapted versions of these. The sessions will be very interactive and the children will not only gain performing skills but also continue to develop their storytelling language.

Fire Education safety team visit (in school) – Summer 2019 - date TBC

We are also hoping that the children will get a chance to participate in the annual fire safety activities provided for us by the Hampshire Fire & Rescue service.

All of the above activities will be subsidised by Pupil Premium funding and the school budget, however, we are requesting a voluntary contribution of £18.50 per pupil which covers the the cost of the activites / workshops and transportation to and from the venues/locations.

Please complete the reply slip below and return in a named envelope with your child's class number and include an initial payment of £8.50 per pupil by Thursday 18 October 2018 (full payment is also acceptable), and a final £10 installment by Thursday 14 February 2019. Cheques should be made payable to: Langstone Infant Academy.

Yours faithfully

The Year 1 Team

Miss M Beckwith

Mr C Wells

Miss A Poppleton
