

TITANIC MUSEUM TRIP

To start our Water World topic we are going to The Titanic Exhibition which is part of Sea City Experience in Southampton on **WEDNESDAY 24th APRIL**.

We will be leaving at 9:10am and returning by the end of the school day please make sure your child is in school promptly on this day.

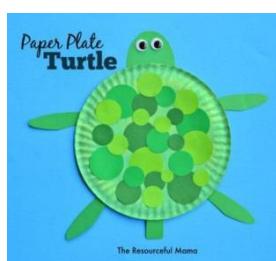

This trip is entirely inside and children should wear their usual school uniform.

Please ensure that your child brings a packed lunch and a drink on this day. This needs to be in a named bag with their school water bottle. If you have pre-ordered a school packed lunch you will receive a separate text message today as a reminder. **Children will not need their book bag.**

We are looking forward to a great day out.

HOLIDAY PROJECT

We would like the children to create an under-water sea creature that can go on display in the classrooms. Please see below for some ideas. This is due in on **Friday 26th April**.

We will also be sending home a word mat for next half terms topic next week which we encourage you to talk about with your child.

PARENTS EVENINGS

Last week all parents had another opportunity to meet with their child's year 2 class teacher. This has been a great opportunity for us to share with you the progress your child has made since the last time me met. We have also been able to answer any questions relating to the annual reports that were sent out to you. We would like to thank all the parents that we have seen for their continued support and we hope you have found the meetings informative. Please remember that teachers are available to discuss any questions or concerns you may have after school most days, so please do not hesitate to talk to us early, so that we can help resolve or answers any questions sooner rather than later

NAMED ITEMS

We have recently had jumpers and other items go missing. Please make sure all items of clothing are named. If you are naming clothes in pen please be aware that even the laundry pens fade after multiple washes. Please take a moment to check your child's clothes are named so they can be returned if they are mislaid.

Yours sincerely,
The Year 2 Team
