Dear Parents/Carers,

Following last week's update, I wanted to make clear that any learning provided for your child, either as a pack or remotely, is to support you and is not an expectation. I am aware that finding childcare is a challenge in itself and that it may not be possible for your child to complete this work. The work is there for your child if you feel it is of use to them and you. Teachers will monitor online learning to answer any questions. In my haste to let you know of the impact of the strike, I may not have been clear on this, so apologise if it has caused any concern.

This is an incredibly challenging time for all of us and I will always do my absolutely best to support you whenever I can.

Again, we have strived to give you as much notice as possible and will keep you updated regarding any further disruption. As always, I appreciate your support.

Yours sincerely,

Mrs J Bush  
Headteacher
