Dear Parents/Carers,

You will be aware of the decision by the National Education Union to strike on Wednesday 1st February. The arrangements laid out below are for this day of strike action only.

We are very fortunate that staff have very kindly indicated their intention to strike and we are able to plan for Wednesday.

We have a significant number of staff who are supporting strike action and so we have had to identify a safe number of children to be able to attend based on adults who are here. As a Trust, the decision has been taken to prioritise education for children and as such to identify year groups that we can have on site. With this in mind, school will be open for children in years R, 2 and 6. These children should attend school as usual, being dropped off and picked up at the usual times in the usual places.

Breakfast and afterschool club will be open to those children who usually attend Wednesdays in these year groups **only**.

Children in Year 1 will be sent home with a work pack on Tuesday night to complete on Wednesday.

Children in Years 3, 4 and 5 will be provided with remote learning in their google classrooms which will be monitored by staff during the day. If they cannot access online learning, please contact your class teacher directly.

If your child receives a free school meal (not infant universal free school meals) you will be sent further information about how to claim Wednesday's meal.

We have strived to give you as much notice as possible and will keep you updated regarding any further disruption. As always, I appreciate your support.

Yours sincerely,

Mrs J Bush

Headteacher
